

Passed with flying Colors – Successful Start of Consenso Management & IT Consulting

Singapore, 28 Jan 2009

Following a successful unification in mid last year, more than 100 consultants are with Consenso Management & IT Consulting at the end of 2008. The team consists of top specialists and experts, particularly within the SAP field, that were recruited from leading consulting firms. An innovative business model has been successfully introduced to the market, which has not only led to a rapid increase in workforce but also to a growth in revenue to 10m EUR.

Consenso supports her clients in complex change management processes to cope with increasing market challenges via a tailored business design. Management consulting services start with business & IT strategy and cover the implementation of process optimizations as the first pillar of change.

The second cornerstone represents the actual IT deployment. Consenso is by now a preferred SAP partner in the design of engineered SOA services and products, as well as in the creation of SOA governance models and strategies.

By an exceptionally experienced team of (PMI-certified) project and program managers, Consenso is able to offer and solve highly interrelated and time critical assignments by applying pre-defined project management services. Here, we offer internationally versed project managers with significant industry, technical, and methodical expertise.

Consenso Management & IT Consulting at a Glance

Since its reestablishment in 2008, Consenso Management & IT Consulting embodies consulting services at the highest standard. Consenso has its origin in successfully delivering specialized SAP implementation services since 2000. Consenso combines excellent management consulting with innovative IT advisory services along the complete value chain.

Consenso is specialized in process-oriented IT projects, particularly implementations using SAP's applications and platform. With her experienced associates, Consenso as a SAP Special Expertise Partner and SAP Service Partner is one of the most innovative firms in the industry. The client base comprises a number of blue chip companies, particularly from the retail, consumer products, chemical/pharma, high tech, services, and automotive sector.

Besides offices in Bielefeld and Munich (both in Germany), Consenso has established its presence in Asia Pacific with a regional office in Singapore. Near/off

shore services are available from Riga (Latvia). From March 2009, Consenso will be present in Switzerland, further international locations are planned.
